### Terms & Conditions

- **We will reduce our professional fees by £100.00 for all Attended and Bespoke funerals where the invoice is settled in full within 14 days of the funeral date.**
- **No deposit is required before a funeral takes place.**  
The only exception to this would be in the instance when the person taking responsibility for the funeral arrangements is making a DWP claim for funeral costs AND requests any additional items with an individual value of £250.00 or above (e.g. large floral bouquet, horse drawn hearse etc). In this instance a deposit to, at least, the overall value of such requested items must be paid in full before such items are ordered and confirmed.
- **We will provide written confirmation of all funeral arrangements before the day of the funeral, along with an itemised estimate of costs.**  
The final invoice will be issued 7 days after the funeral, with payment requested within 28 days from the date of the invoice. We offer a £100.00 discount on our fees for all invoices of Attended and Bespoke funerals that are paid in full within 14 days of the funeral.

Although every effort is made by us to help you pay for the funeral we do reserve the right to add an interest charge of 1% per month on overdue accounts. We are always willing to help with payment options. If you are struggling with funeral costs please contact us to discuss alternative options.

- **We accept payment by cash, cheque or bank transfer.**
